So you are aware of what attire is acceptable for each session it will be listed on the top of every agenda. For clarification purposes below is a definition of the two categories that we usually go with.

Casual

This will generally mean that we will be inside and outside, so dress for the weather. Jeans and sneakers or boots are acceptable.

Business Casual

- For women: A reasonable length skirt or trousers of a non-jeans material combined with a top (such as a dress shirt, polo, or sweater set) is considered acceptable.
- For men: A combination of collared shirt (such as a dress shirt or polo shirt), cotton trousers (such as khakis or blue, green, brown, or black trousers) non-jeans material, modest shoes (such as loafers) with socks is generally acceptable.
