Create a Student Account

Creating Your Account

1. To create a new account go to https://plcbplus.pa.gov/pub/Login.aspx and click "Register here".

2. To register you will need to complete the required fields that have asterisks and have been highlighted for your convenience. Please note the Online Access Code area- in this section, click "No" as you will not have an access code.
   * Please remember your password as RAMP will not have access to this.

3. After completing your registration, check your e-mail as you will receive a notification stating that you have now registered with the PLCB+ system. Once you receive the e-mail click the "Activate your account" link at the bottom of that e-mail. Once doing so you will be asked to sign in using your email and password that you have just created.

Thank you for registering with PLCB+

PLCB+
Online Regulatory System

Brooke Churner, your registration email is: brchurner@pa.gov

Please use this email address to sign into PLCB+. You must first activate your account using the link below:

Activate your account

4. After logging into your PLCB+ account you will need to update your profile by clicking on the "My Profile" tab. Please complete the required fields that are marked with an asterisk and are highlighted below. Please note: the date of birth is not marked as a required field, however we strongly encourage you to enter it since we use that as part of your RAMP trainee ID. When finished, click the "Save" button at the bottom of the page.
