Community Education Center Helping Students Explore College Options Virtually

Don't let the pandemic dampen your college dreams. Let the Community Education Center help you find a college that fits you and your goals by attending a Virtual College Fair. To get started, students and parents can visit the CEC Webpage (www.communityedcenter.com) to access our Virtual Fair Webpage. Once there, you can discover several Virtual College Fair choices and links to register, visit our Virtual Tours page for a close up view of many PA colleges, and complete our Post Survey for a chance to win prizes! Weekly Drawings will be held 10/23, 10/30, 11/9 . Prizes include: Ear Buds, Bluetooth Speakers, Yeti Water Bottles, LED Light Strips, and Gift Cards.

HOW DOES A VIRTUAL COLLEGE FAIR WORK?

Each virtual fair is FREE! Hundreds of college representatives are live and online at the same time to meet with students. Attend as often as you like and parents are invited too!

- **REGISTER** for the Virtual Fairs you'd like to attend
- **SELECT** the schools, times and events that fit your schedule
- **SIGN UP** to attend the live and interactive Zoom sessions
- **SCHEDULE** a virtual meeting with a college. Just choose a date and time.
- **LOG IN** on the event date by using your phone or computer. Learn, connect, ask questions, and discover your best college fit!

If you need help to further explore your career and college choices, contact Amy Goode, CEC Program Manager, at amy@communityedcenter.com or (814) 781-3437. Virtual and In-person sessions available.
